

# CILIĆ

Cilić Estate is a family estate, located on a top of a hill, near the town of Jagodina, on the southern slopes of Crni Vrh mountain. The winery is located on the knap of the property, surrounded with 15 hectares of vineyards. In addition to a modern and transparent production part, there is also a tasting room in the winery which is overlooking the cellar for maturation, as well as the restaurant from which the view extends to the picturesque Šumadija. The winery is open to visitors by appointment, both for individual visits as well as for organized tours / groups.
